ALL PRICES EXCLUDE GST

SAFE CATEGORY 3 EMERGENCY STOP ON ALL REMOTES

All Flex Models come with pre-wired receiver with 2m of cable, carrying strap, 2 nylon protective cases and a spare handset key.

Reliable Push Buttons

The in-house designed push buttons with gold-plated contacts are rated for more than one million press cycles. The defined snap-action steps provide positive tactile feedbacks even when wearing gloves.

Durable & Rugged Enclosures

The transmitter and receiver enclosures are manufactured from industrial-strength nylon and fiberglass composite materials that are highly resistance to breakage and deformation even in the most abusive environments.

Sealed & Chemically Resistant Enclosures

The IP-66/NEMA-4X rated transmitter and receiver enclosures are also highly resistance to dirt, liquid, acid, alkali, grease and oil penetration

Full Compliance

All systems are fully complied with the FCC Part-15 Rules, European Directives (Safety, EMC, R&TTE, Machinery) and Industry Canada Specifications (IC).
